

The image features a Mother's Day card with a soft, watercolor-style background in shades of pink and cream. A gold-colored, multi-layered geometric border, resembling a hexagon with irregular sides, frames the central text. The text is written in a black, elegant cursive font. At the top-left and bottom-right corners of the gold border, there are clusters of watercolor flowers, including pink and red roses, smaller purple and pink blossoms, and green leaves with small blue berries.

Happy  
Mother's  
Day!
